BACHELORS, ORCHID INTERNATIONAL COLLEGE
GAUSHALA, KATHMANDU

SKILLS

- Language: Nepali(native), English and Hindi.
- Computer: Microsoft Office Suite, Adobe Photoshop, Adobe Illustration, HTML, CSS and PHP.

ACTIVITIES

During my 3-month vacation after my SLC, I participated in graphic designing classes at Pentasoft which is situated in Jamal, Kathmandu. I learned about Adobe Photoshop and Adobe Illustration during the course. I participated in workshops for CMS and PHP so I have handful of knowledge but yet to be perfect.

I am also highly interested in volunteering works and social working. I have participated in the volunteering program which was conducted by Universal Teaching Consultancy (UTC) at Bhrikutimandap in which more than 40 colleges were participating. I believe that providing free service to the people in need and helping to improve one's life is the best thing we human can do.
